Risk Assessment Form (GUIDANCE)

In line with British Triathlon Federation (BTF) and Government guidance Clubs and coaches in WALES are required to provide a COVID SECURE Operation including:

1. All community clubs must appoint a named COVID-19 Officer (CO).
2. All community clubs must develop a COVID-19 Action and Plan and Risk Assessment.
3. All clubs and coaches must comply with government guidance around social distancing before, during and after activity.
4. All clubs and coaches must capture pre-activity health questionnaires, including participant contact details which can be shared upon request with the government's Track and Trace initiative.
5. Clubs and coaches must ensure everyone at the session maintains good hygiene and that provisions are in place to allow for this.
6. Sessions that include children and young people under the age of 18 should be more meticulously planned to ensure their needs are catered for.

Prior to commencing club and coaching activity in line with your club action plan* please ensure you complete risk assessments for your sessions.

Please consider how you will communicate your plans with your participants, coaches, wider workforce, parents and members.
